FOREWORD

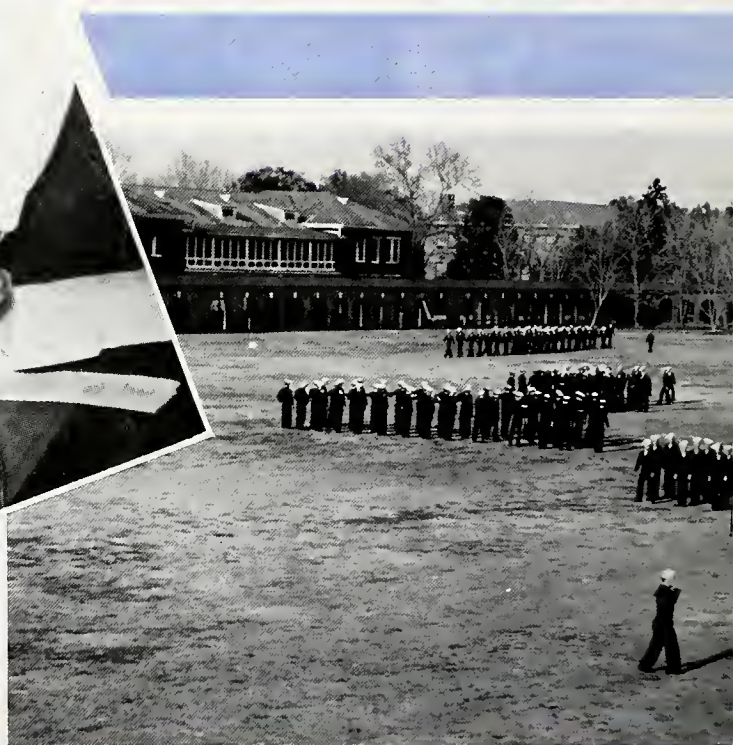

Southwestern has donned a V-12 uniform, and with this change in appearance has come an enrichment of college life in which men of the armed forces and civilians are united in common effort to meet the needs of our country in this time of war. Under three seals—those of the Navy, the Marine Corps, and Southwestern—are joined those of thirty-eight states of the Union. With this association of students, so widely separated before July, 1943, have come new understandings, outlooks, and broadened horizons. The weapons of knowledge and instruction, invaluable in both war and peace, have been polished and put to use as never before. Yet, through all the changes in her life, Southwestern has kept the same spirit, the same unaffected friendliness and agreeable way of life which makes her unique.

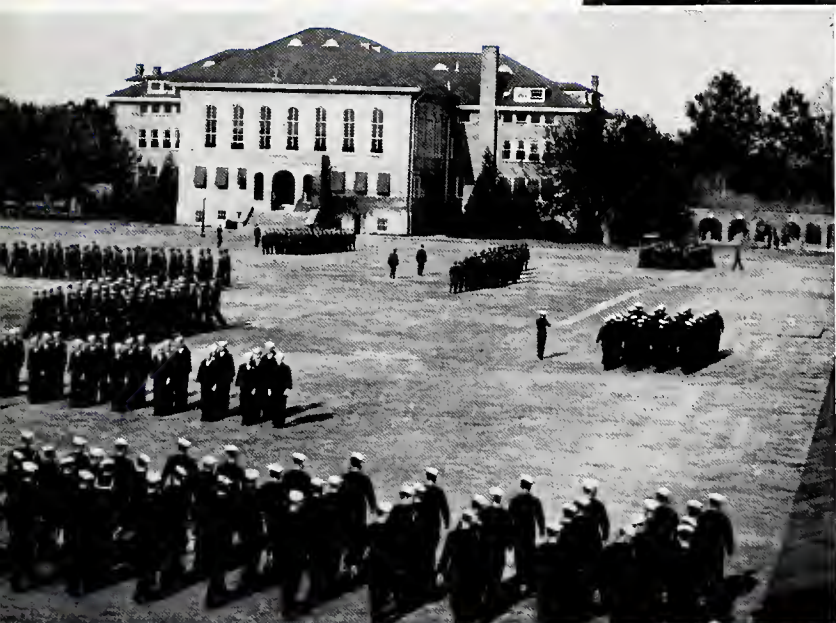

In this annual, the editors and the staff have attempted to inject the spirit of Southwestern during the year 1943-1944. It is hoped that the pages which follow express the more serious attitude brought to the campus by the V-12 program, and that heart-warming, indefinable quality that always has and always will characterize Southwestern.

WOMEN'S STUDENT GOVERNMENT ASSOCIATION

The W. S. G. A. is composed of all women students enrolled at Southwestern. Its purpose is to encourage in the women of the student body a spirit of responsibility in matters of self-government, to coordinate student interests, and to cooperate with the college authorities. It is under the supervision of an executive council composed of the four officers selected by popular vote of the women students, and the presidents of the various dormitories. This year under their able leadership have been sponsored a blood donors program, Red Cross activities, and social activities to acquaint new students with Southwestern life.

Officers

President.....Josephine Ware
 Vice President.....Agnes Bondy
 Secretary.....Pat Smith
 Treasurer.....Doris Miller

STUDENT RELATIONS COMMITTEE

This committee is composed of five members, the President of the Student Body, the President of the Women's Student Government Association, the President of the Men's Student Government Association, and two other members selected from the student body by the President of the College.

Organized in an effort to build up government of students by the students, and to promote a higher standard of student conduct, it functions as a disciplinary committee which in turn makes recommendations to the faculty.

The students comprising the Student Relations Committee are all recognized leaders in the Student Body and command the utmost respect from students as well as the faculty.

MEN'S STUDENT GOVERNMENT ASSOCIATION

The M. S. G. A. is composed of the men students enrolled at Southwestern. Four officers are selected annually by popular vote of the men students to guide the work of the association. This year it has sponsored not only its former intramural athletic program, but also a Red Cross blood donors' program. A valuable service has been their efforts to more closely coordinate civilian student affairs with those of the V-12 students.

BOARD OF PUBLICATIONS

The Board of Publications is composed of five members, appointed by the President of the Student Body and approved by the President of Southwestern as well as the Faculty Committee on Publications.

The Board was organized to control and supervise the two student publications, Vermilion and L'Acadien. In addition the Board formulates the qualifications that future Editors and Business Managers must meet, and in the spring selects the persons best qualified to fill these positions the following year.

The weekly publication of Southwestern is the Vermilion. Its circulation probably reaches more countries of the world than any other college newspaper of the United States. Former students now in the Armed Services receive each weekly copy, whether they be stationed in Louisiana, England, Italy, or Alaska. Perhaps it will soon reach Tokyo. Several new columns of interest to students have been featured this year, and the work has been carried on in spite of the many difficulties the staff encountered.

This is our L'Acadien. The staff offers this year's issue of the college annual to Southwestern with humility, with a feeling of hopefulness in having achieved our goal of producing a yearbook as faithfully representative of S.L.I. in its dual role of fighting V-12 college and friendly institution of learning as it was possible with the limited funds, materials, and manpower available.

This issue is the immediate result of the efforts of a group of students too stubbornly proud of their alma mater to let even this year of wartime shortages go by without an annual, and of Mr. Harry De La Rue, who pulled countless rabbits out of his hat to make possible the impossible. But this issue is fundamentally the result of only one thing—the friendly spirit of Southwestern that inspired all who had a part in the publication. If L'Acadien 1944 helps to strengthen that spirit in the recipients of the annual, its producers will be sufficiently rewarded for their efforts.

The annual recital given by Orchesis is enjoyed by all the students.

BOYS' VARSITY DEBATE

The Boys' Varsity Debate Squad offers for boys at Southwestern an opportunity to argue and debate to their hearts content. No prerequisites are required except that you be interested in debate. At present the V-12 members are not allowed to leave the campus for more than seventy-two hours so that the boys have not been very active. However, in the future we may expect that once again the men will take an active part in school activities.

O R G A N I Z A T I O N S

GIRLS' VARSITY DEBATE

It is believed that the S. L. I. inter-collegiate debaters may have established an all-time forensic record as a result of two S. L. I. teams having tied for the championship in senior women's debate at four consecutive debate tournaments this year.

The Southwesterners distinguished themselves as being superior to the college speakers, with whom they competed throughout the South and Southwest, and from parts of the Mid-West, as a result of their having won a total of one hundred and twelve speech contests and having placed second in twelve contests.

The eighteen S. L. I. varsity debaters won six tournament championships and three second places by winning eighty-two debates (seventy-two percent of all

that they entered). Two S. L. I. teams tied for the championship in senior women's debate on four different occasions. One S. L. I. team won championships in junior debate at two tournaments, and other S. L. I. teams placed second in debate at three tournaments.

SOUTHWESTERN BAND

With Professor Howard Voorhies officiating and directing, the Southwestern band has given S. L. I. students fun and pleasure a plenty. One of the most enjoyable summer entertainments is their Friday evening concert with plenty of singing and music for everyone. Football games and track meets are not complete without them and they have lent color and stirring music to Bond and Red Cross parades and rallies.

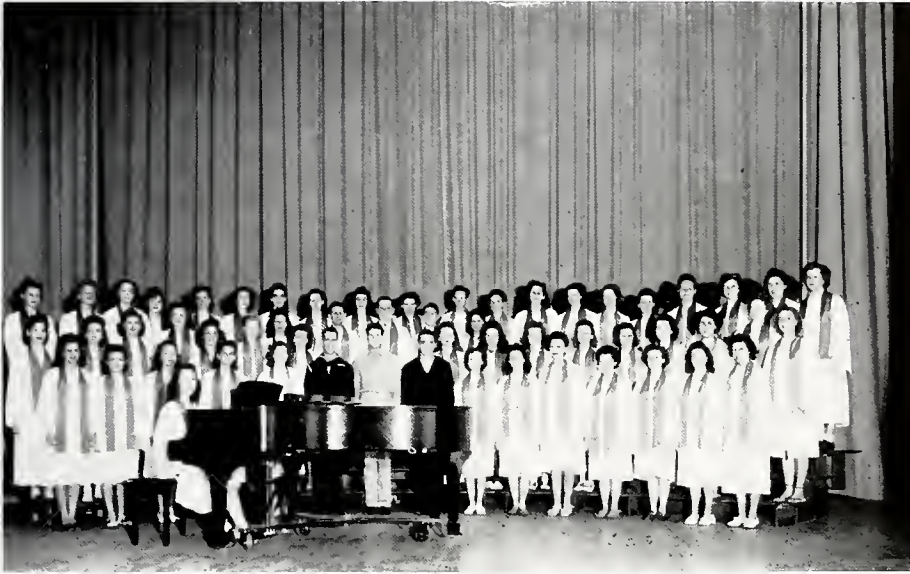

O R G A N I Z A T I O N S

SERVICE BAND

With the coming of Service men to Southwestern, one of the youngest organizations on the campus was formed. Under the able supervision of Professor Howard Voorhies the service band has made itself a general favorite. It plays for all drills and reviews and for any parades and rallies at which the men are present.

GLEE CLUB

Under the able direction of Mr. H. J. Canady the Glee Club presents an excellent opportunity for fellowship, recreation, and musical experience. The first qualification is an acceptable singing voice and anyone with this qualification may come and sing. The group sings classical and semi-classical music and is a very popular organization on the campus.

O R G A N I Z A T I O N S

ORCHESTRA

This organization is composed of Southwestern students who are musically inclined and interested in perfecting the instrument which they play. This organization has made itself popular on the campus by always being prepared to play for any occasion that arises. They play semi-classical and classical music and add a great deal to any program for which they play.

RADIO DRAMA GUILD

Every semester under the direction of Mrs. Ruth Hamilton the Radio Drama Guild presents a series of weekly radio programs. These programs are broadcast on a state wide network and are enjoyed by many admirers of Southwestern. Talent for these programs is taken from the Radio Drama class and any student interested in this type of speech work may participate.

The Coaching Staff

To these men go the credit for organizing a great fighting squad of grid-iron heroes. Starting with the desire to give the public a thrill packed season, these coaches scheduled games, obtained equipment, and overcame many obstacles in order to realize this desire. Their efforts gave former football stars a last chance to exhibit their talents on the fields of friendly strife before they kicked off for a bigger game that is being played for keeps.

The season's success was culminated by Southwestern's victory in our first Bowl Game, and nationwide recognition of the great team encouraged and guided by this group of determined men.

With an enthusiasm surpassed only by that of the football heroes for whom they cheered, the Red Jackets and Cheer Leaders untiringly devoted their time, talents, and voices to spurring the boys on to the biggest grid season Southwestern has yet known. They were unable to attend the out-of-town games, but they were always on hand to send the boys off with a ringing yell and a fighting spirit.

When the basketball season opened, they were again present at every game to lend spirited support to our superior team. Their appearance at athletic events, campus functions, and parades was a bright symbol of Southwestern school spirit.

Surprise

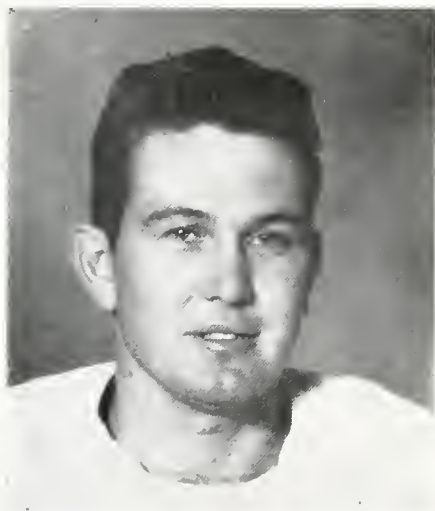

The season started off with a bang when we were hosts to Fort Benning of Georgia and defeated them 20-7. The boys were given an opportunity to show that they were destined to develop into one of the leading teams of the nation.

It took the pitching arm of Alvin Dark, former L. S. U. sensation, the running of Vincent Buckley and Virgil Eikenberg, both formerly of Rice, the receiving ability of Snaggin' Saxon Judd, All-American end from Tulsa, and Wendell Williams, speedy end from Rice, to set the Bulldog offensive on the path to victory.

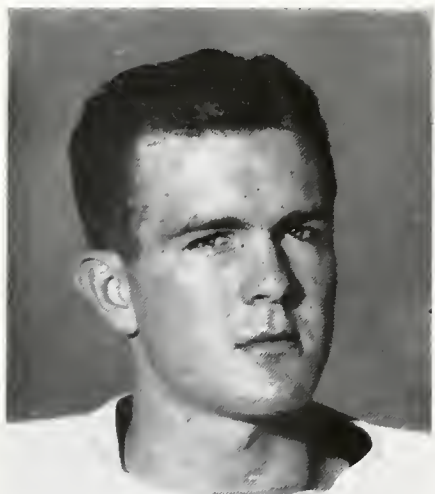

In the first stanza the game see-sawed back and forth, but in the second quarter both teams opened up with touchdown assaults. Starting from their own 45, the Bulldogs marched to the 2 where they were set back to the 17 for a holding penalty. On the next play Dark completed a long floating pass over the shoulder and into the arms of Williams in the end zone. Dark added the extra point.

In the few seconds left in the first half the Fort Benning Spirits rammed from their own 33 to make a touchdown, when Waterfield dropped a pass to Hales. Waterfield tied the score with a perfect placement.

Southwestern unleashed a furious offensive attack in the third and fourth periods, cracking the tiring Benning line wide open as the game progressed. With the use of strong reserves the S. L. I. team kept fresh throughout the contest.

Attack

Southwestern 27 — Southwestern University (Texas) 6

The grid team continued building their name and fame by defeating the favored Southwestern squad in the Rice Stadium, Houston, Texas. It was a glorious homecoming for many of the former Rice players, and the fans from Houston and nearby turned out to fill the huge stadium to near capacity.

S. L. I. started the contest with a fast passing attack, and was rewarded with a second touchdown in the first period when Alvin Dark completed to Williams. The first counter came after several hard line plays by Dark, a pass to Williams, then big Eikenberg hit left tackle for the extra point.

In the second quarter the rough Bulldog line and the versatile backs kept the pigskin hugging the Pirates goal line. Southwestern U. pulled out of the hole when Field passed to Hearne for a 54 yard gain. With 15 seconds before the half gun, Cooper passed to Hollon for the lone pirate goal. Spot Collins missed the goal and the half ended with S. L. I. ahead 13-6.

The Bulldogs came back rough-and-ready-to-go and scored before the second half was a minute old. Eikenberg took a pass from Dark and carried the ball to midfield. The most sensational play of the game came when Dark started around right end, saw he was trapped, reversed his field to pick up blockers and went 45 yards around left end for another touchdown. Dark converted to make the count 20-6.

The last score of the game followed the kick-off. Perkins intercepted Field's pass and carried the ball to the 21. Southwestern was penalized to its 6 for roughness. On the third down Eikenberg smashed through for the count. Dark's kick brought the score to 27-6 for the Bulldogs.

Southwestern 20 — Arkansas A. & M. 20

The team fought against a strong opponent and a muddy field in this game and really showed that they had it in them to keep fighting when the odds were running against them.

The game was played at Memphis, Tennessee in the usual mud, rain, and fog that followed the Bulldogs throughout the season. Both teams went into the game undefeated and untied, and both came out with their records sullied but their reputation for fine football still clear.

The Bulldogs, with Alvin Dark as the spearhead, passed and ran their way to two counters before the Aggies could untract themselves. Dark himself went over

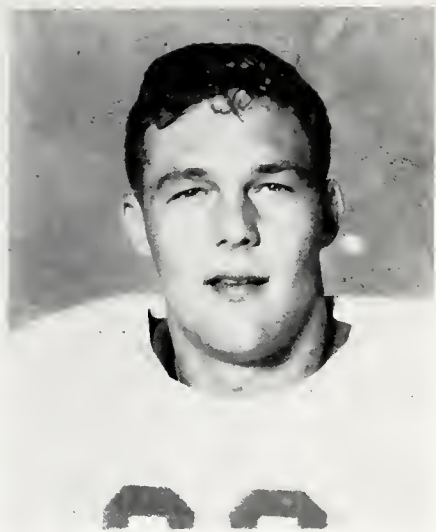

for the first, and Bob Pillow plunged across for the second.

In the second period Aggie Bill Cromer pulled down one of Dark's passes and seconds later Sid Haliday slipped into the end zone to catch a pass for the prettiest play of the day. Then Charley Steed started a 58 yard march to square things in the opening moments of the third period after a blocked punt had let Pillow go across to put the Bulldogs ahead again. A Dark fumble and some quick stabs by Steed brought everything level.

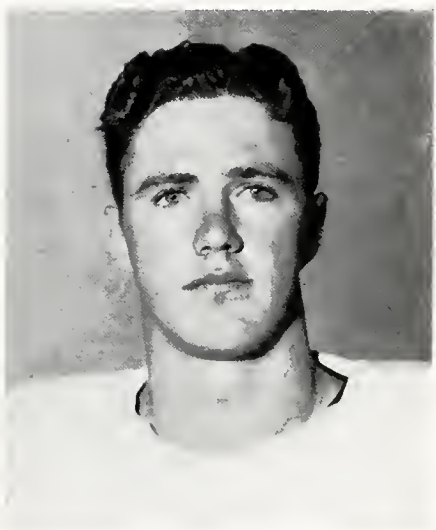

It was the kind of ball game that calls for but one thing—a return engagement. The battle was fought to a decisive victory for S.L.I. in the Oil Bowl.

The Bulldogs, angered over their recent set-back with Arkansas A. & M., tore into the Lake Charles squad with all the fury of tied wildcats. The Flying Tigers couldn't even make a decent take off as they found the hard charging S. L. I. Bulldogs worse than bad weather conditions.

Bob Pillow, former back for Mississippi State, marked up the first touch-down, plunging from the nine. Dark passed to Moe Richmond, end from L. S. U., moments later for the second score, and early in the second period Ralph Noble blocked a punt by Scavone for a safety and two more points. Eikenberg replaced Dark and proceeded to nail John Ply, end from Howard Payne, with a bullet pass for S. L. I.'s third touchdown as the half ended, score 23-0.

Dark opened the new stanza with a 23 yard run for a fourth tally, followed by a pass a moment later to Wendell Williams for 36 yards and counter number five. Three plays after the kickoff which followed, Dark returned the punt for score number six.

Pete Clark, third string back from Colorado, put on a real exhibition of line plunging to ramrod his way to S. L. I.'s seventh touchdown. The final two markers were the result of the sparking running of Willard, who cashed in from the nine yard line on one play, and the 25 on the other.

Southwestern 6 — Randolph Field 0

By this time the Bulldog squad was beginning to be known and recognized all over the nation as a potential contender for a bowl invitation. Through the untiring efforts of the Southwestern sports writers, Casey Cohlma and Jack Murphy, their fame, strength, and versatility was brought to the attention of many of the leading newspapers and sports circles of the country. There were many rumors that if they beat the strong Randolph team they would be invited to any number of open bowl games.

The team left for the trip with a grim determination to prove that they could lick any combination of eleven men that wore cleats and headgears. This spirit brought them a sloshy, mud-packed 6-0 victory over the Randolph Field Ramblers.

They got a wet reception in San Antonio, and their spirits began to dampen as the battle field got muddier. The brilliant Dark slipped, sloshed, and slid his way through the game, unable to elude the mud-cleat-equipped Ramblers who were apparently at home in the murky mush.

Bob Pillow, the plowhorse from Mississippi, put on a very startling exhibition of mud trudging. The battering ram fullback charged through the Randolph line like a mad bull through a paper fence, and through such effort Southwestern eked out its slim victory.

S. L. I.'s showing in the first half was rather poor, but the situation was placed well in hand after a short but vigorous pep talk during the intermission by Major Taft, Marine recruiting officer from San Antonio. Uttering the only words that were fired at the Bulldogs during the halftime rest, Major Taft spurred the men to a glorious second half with: "I've played on Marine football teams and I've played on Navy football teams. We were never beaten by an Army team and we never will be! We've never been licked so come on let's go out there and fight! . ." And how they did fight!!!

S. L. I.'s score came just as much a surprise to the Bulldogs as it did to Randolph. Alvin Dark quick-kicked from the 50 and the ball dribbled crazily to the one foot line, bounded back, then settled on the one yard Randolph line.

Dobbs dropped deep in the end zone as though he planned to boot the ball out. Sensing the play by the signals and by the way Dobbs began licking his fingers, giving away his actions, Wendell Williams and Vincent Buckley warned Jacobs to watch for the toss. The Dobber drew a bead and fired; the ball bounded high into the air after hitting end Leon Leinwiber's hands and Jacobs scooped it into his arms. Standing still momentarily Jacobs came out of his daze and romped 18 yards to score and win the game.

After working so hard for a bowl invitation, the team was disappointed when one did not come their way. When the Oil Bowl was organized, and the Bulldogs were invited to attend, there were many undercurrents of emotion that might have prevented the team from appearing in the New Year's game. Weldon Humble, the team's unofficial leader, was picked to present the question to the team. He succeeded in soothing their ruffled spirits, and they accepted the bid with a rough and ready outlook.

Again came the rains, but Coach Louis Whitman had the better of the situation this time. Before the game he convinced the boys that they could play just as well on a muddy field as any other team. They started the game with unsuppressed spirits, and as Coach Whitman stated, "I say that no team, and I put emphasis on Notre Dame, could have beaten us that day." From the kickoff there was no doubt about the superiority of the combination of the versatile backs and mighty line of the Bulldogs.

Victory

The first counter was made by a 16 yard field goal in the second stanza. Dark set up the tally with a 24 yard punt return to the Weevil 21. Dark passed 12 yards to Moe Richmond, who made a sensational leaping catch between two defenders for the first S. L. I. touchdown in the second period. Dark set up the third score of the contest in the third period after a 15 yard punt return and wriggling 13 yards to the seven. Then the workhorse Bob Pillow bucked over into pay dirt.

The S. L. I. ends, Richmond and Porter were a major reason why the Weevil passing was not more effective. All during the battle "Moe" and "Moose" kept tearing through to rush the passing Gray, and battled down several passes as they left his hands. They proved the old saying that "the best pass defense is a hard charging line".

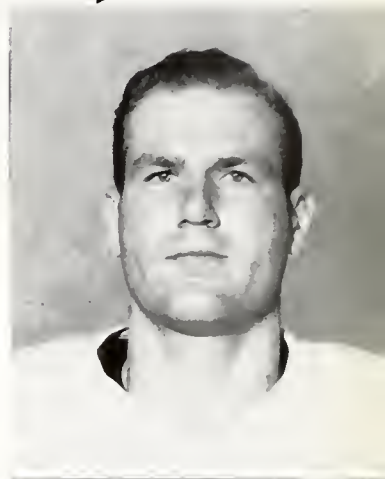

Weldon Humble was the top lineman of the day. On offense he was helping box in 262 pound Tom Dean. Defensively he was wherever needed, coming up to make more tackles than any other player or going back to protect against passes. Humble, the S. L. I. captain, did not leave the game until the final touchdown late in the last quarter.

Humble got fine assistance from Magee, the other guard, Holly Heard, stalwart tackle from Louisiana State, Ed Cloud, the center from S. M. U., and Ralph Noble, who filled in well at left tackle for the ailing Henry Armstrong.

The contest was excellently officiated. In fact, it was a great game in every respect except one—the weather.

Women's

The purpose of Women's Intramural Association is to promote health ideals, to foster true sportsmanship, to give all women students on the campus an opportunity to participate in athletic activities, to create interest in athletics through participation in wholesome intramural activities, and to train women officials in all sports. Membership in W. I. A. is open to anyone who participates in intramurals or officiates in intramural activities.

W. I. A. has been active for the past year. Heretofore, the organization for girls' athletics was the Women's Athletic Association. With the expansion of the physical education program for women W. A. A. could no longer survive, since the purpose was to encourage participation in sports. Due to an increase in interest in intramurals, W. I. A. emerged from W. A. A.

This organization is governed by the W. I. A. board which is composed of the team managers of all of the teams entered in intramurals. Offices are president, vice president, and secretary who are elected from the board and by the board.

During the year this organization governs women's intramurals and sponsors Stunt Night which is a tradition at Southwestern.

Athletics

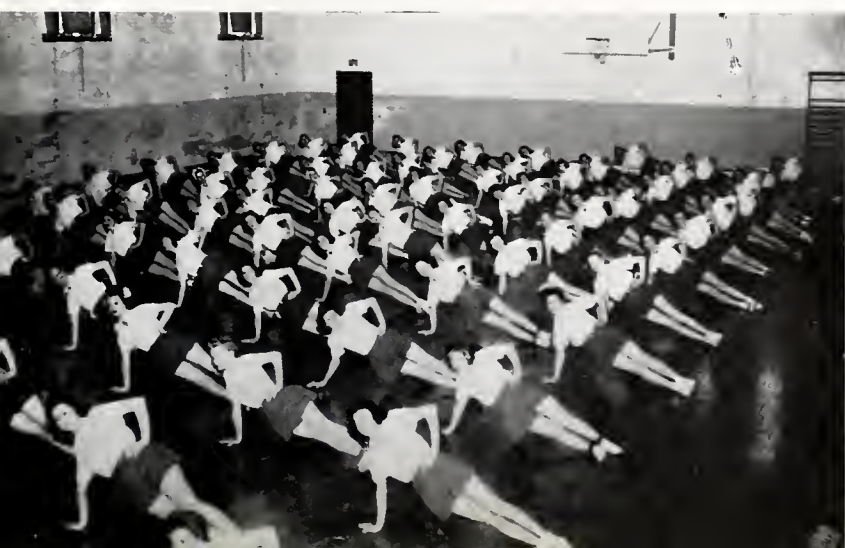

In the accelerated wartime program, physical education for women has not been neglected at Southwestern. Freshmen and Sophomores spend five hours every week in physical fitness classes—three hours of calisthenics and two hours of selected sports. Junior and Senior women attend three hours weekly. Their program consists of varied sports and more advanced calisthenics.

Activities are so carefully planned that they never grow monotonous. Under the able guidance of Mrs. Bourgeois and her staff, competitive games such as basketball, volleyball, softball, tennis, badminton, and table-tennis are organized. Both modern and folk dancing are taught. An obstacle course was constructed last year after careful designing, and training on different parts of it is given.

Possible wartime needs are taken into account. Practice in lifting weights correctly, going up and down ladders while carrying weights, and first aid instruction are all provided. Workouts on balance beams, parallel bars, swinging ladders, and work in tumbling classes help to strengthen bodies and develop coordination.

Many young women are now entering the Armed Services of our country. The staff, anticipating this, has planned classes which will meet some of their needs, such as instruction in drill, hiking, and special military calisthenics. The students are tested by national standards in these activities, and grades are primarily determined by achievement test scores.

Through this varied program a high regard for sportsmanship is attained, and more students are encouraged to participate in sports for recreation.
